

Dale R Platt Memorial Scholarship

The Dale R. Platt scholarship is open to all Foster CTE students. Dale strongly supported the program at Foster CTE. He believed the skills that students learned were valuable tools that would benefit them in their careers and lives. Dale was a master carpenter and mason, a nuclear submarine engineer, and a farmer. But, most importantly, Dale was a believer in people. He often employed Foster CTE graduates and was never disappointed.

Application Deadline: April 30, 2024
